Government in their Order No. 684 P.W.D. dated 19-2-53 have ordered that the probation of Sri M. Sub: MADRAS HIGHWAYS ENGINEERING SERVICE -
Divisional Engineer - Sri.M. Srikanta Srouti
Satisfactory completion of probation.

Ref: From the C.E(H)No. 13999 Confdl/54-3 dated 28-4-54.

Sri. M. Srikanta Srouti, permanent Assistant Engineer of the Highways Department commenced probation in the category of Divisional Engineers in the Madras Highways Engineering Service on 14th August 1946 (ie about 8 years ago.) - Vide G.O.No.2988 P. dated 18-7-51 - and completed the prescribed period of probation on 13th August 1948. The confidential reports on the Divisional Engineer having disclosed that he was very inefficient and slack, the C.E(H) was asked in January 1952 to review the case again and to send a detailed report to the Government - Vide G.O.No. 262 P.W. dated 23-1-52. In December 1952, the C.E(H) forwarded a statement showing the several irregularities committed and delays caused by Sri. Srouti in his capacity as Divisional Engine and recommended that his work might be watched for a period of six months more to decide about his probation. In G.O.No. 684 P.W. dated 19-2- the probation of Sri. Srikanta Srouti in the category of Divisional Engineers was extended upto 1st March 1954 in relaxation of rule 6 of the Madras Highways Engineering Service Rules and Sri. Srouti was also warned that he should rectify the defects and earn better reports duri the extended period of probation failing which action would be taken to terminate his probation in the category of D.Es.(H). In that connectio the former Chief Minister minuted as follows:-

"The complaints are of a nature calling for decision adverse to this officer.

[The hint M(W) suggest a lenient view & 2 what punishment may Declared to have been satisfactorily]

In view of M(P.W)'s reaction perhaps he will give him another full year and then if no improvememt is shown, he should be declared unfit. Let him be warned and given a full chance now to make up, if possible.

C.Rajagopalachari.
6-2-53"

The C.E(H) has now reported that the special confidential report obtained from the S.E(H) reveals that the Divisional Engineer has corrected himself of the defects pointed out to him and that he may be declared to have satisfactorily completed the period of probation on 28-2-54 A.N.

2. It is for consideration whether the C.E(H)'s recommendation will be accepted and, if so, whether Sri.M. Srikanta Srouti may be declared to have completed his probation satisfactorily in the category of Divisional Engineers in the Madras Highways Engineering Service on 28-2-54 A.N.

3. The file may be circulated to M(W) for orders.
